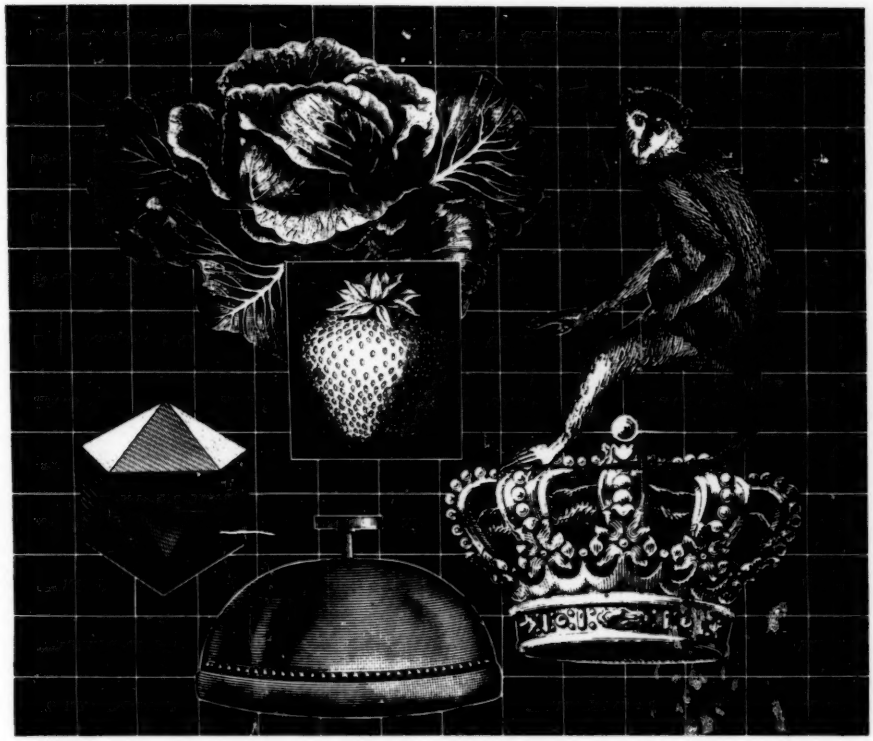
An abstract service tailored to *your* professional interests to save time and effort.

PsycSCANs — A series of inexpensive, subject-oriented publications especially designed for individual use. Each contains abstracts of the primary literature in specialized topics in psychology.
The abstracts are concise yet informative, giving an overview of what is contained in the original article, and providing the necessary data for follow-up research.

Each 4-issue PsycSCAN subscription: $12.50 APA members/affiliates, $25 nonmembers, $28 non-US nonmembers, $50 ($57 non-US) institutions. Call or write for your *sample copy* and more information. **American Psychological Association,** 1400 N. Uhle St., Arlington, VA 22201. Toll Free (800) 336-4980. In Virginia call (703) 247-7829.

PsycSCAN: Applied Psychology. The journals that are abstracted cover the following subjects: consumer and marketing research, management and organizational studies, personnel and guidance, psychometrics, forensic, and human factors and ergonomics.

PsycSCAN: Applied Experimental & Engineering Psychology. Developed in collaboration with the Division 21 of the APA, this new and easy-to-use research tool will help you scan research topics such as: human factors, ergonomics, computer applications, environment, safety and accidents, transportation and flight, and working conditions.



PsycSCAN: Clinical Psychology. Some of the current subscriber-selected journals that are abstracted for this PsycSCAN are: *Clinical Psychology Review, Journal of Clinical Child Psychology, Journal of Clinical and Experimental Neuropsychology,* and *Journal of Personality Assessment.*

PsycSCAN: Developmental Psychology. Selected journals include: *Adolescence, Developmental Review, Journal of Abnormal Child Psychology, Journal of Applied Developmental Psychology,* and *Journal of Pediatric Psychology.*

PsycSCAN: Psychoanalysis. Developed in collaboration with APA's Division of Psychoanalysis (39), this journal features abstracts from journals such as: *American Journal of Psychoanalysis, Bulletin of the Menninger Clinic, International Journal of Psychoanalytic Psychotherapy, Journal of the American Academy of Psychoanalysis,* and *Psychoanalytic Study of the Child.*

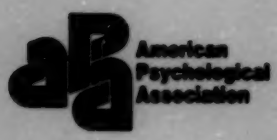
PsycSCAN: LD/MR. Articles on learning disabilities, communication disorders, and mental retardation are indexed and abstracted in *PsycSCAN: LD/MR.* Similar in design and format to the PsycSCAN publications described above, the material is drawn from PsycINFO's total annual coverage of over 1,400 journal titles to provide a comprehensive, continuous overview of subjects such as dyslexia, hearing and language disorders, and hyperkinesis.

The PsycSCANs

If it's about behavior, you'll find it in PsycINFO

LAWYERS will find information about child advocacy, jury selection, or evidence validity;
ADVERTISERS about consumer behavior or brand loyalty;
PHYSICIANS about drug interactions, behavioral aspects of disease, or the addictive personality;
MANAGERS about employee motivation or personnel selection.

Behavior is a part of everyone's business.



SOCIAL SCIENTISTS, EDUCATORS, and **PSYCHOLOGISTS** have long relied on **PsycINFO** for behavioral information.

Free: Guide to **PsycINFO**

Learn more about the **PsycINFO** services, and how to decide which ones will serve your needs best. Call or write for your free *Guide to PsycINFO* today.
